RE: _____
(Description and Location of Facility, and Permit Number)

Although no Certificate of Occupancy has been issued yet by the City of Lakeland for the above referenced facility, we hereby request that you instruct Lakeland Electric & Water to turn on the electricity for the facility on a temporary basis. We need to determine whether equipment and systems at the facility are in working order. We pledge that the facility will not be occupied until a Certificate of Occupancy has been issued.

We understand and agree that if you should find that the facility has been occupied before a Certificate of Occupancy has been issued, or an electrical hazard has been observed, you have the right to turn off electricity without notice. We understand and agree that should you exercise that right, the City will not be responsible for any damages or costs. In the event any third-party claims that he has been damaged by the exercise of such right, we agree to jointly or individually indemnify and hold harmless the City for all such damages and costs, including reasonable attorney’s fees.
