

Choose your summer adventures and track them with this log.

Each week you can choose to either follow our reading themes and suggestions or blaze your own trail. Each week you read earns you an entry ticket to win one of our three grand prizes.

You can also earn tickets by participating in Mining Mayhem (see below), or attending the select library programs in this log.

To claim your tickets, bring this log to any Lakeland Public Library between June 5th and July 26th. We will stamp your log and give you a ticket to fill out. Your ticket will be entered into a random drawing for the prize of your choice. Three winners will be selected. The prizes are a Kindle Fire, an annual pass to Bok Tower Gardens, or a gift card to the Joinery.

Contest closes on July 26th.
Drawings will take place on August 2nd.
